Re: Formal Approval of Form and Amount of Reclamation Surety, Interstate Brick Company, Fivemile Mine, M/045/006, Tooele County, Utah

Dear Mr. North:

On October 26, 1994, the Board of Oil, Gas and Mining formally approved the form and amount (\$150,000.00) of reclamation surety for Interstate Brick Company's Fivemile Mine amendment. The reclamation surety is in the form of a "rider" to the existing reclamation surety bond (h _____ d) issued by St. Paul Fire and Marine Insurance Company. The Division hereby grants its final approval of this project amendment and the reclamation surety.

Enclosed please find copies of the fully signed and executed Reclamation Contract and surety bond forms for your files. Also enclosed are original Reclamation Contracts dated June 23, 1989 and December 7, 1990 which have been effectively replaced by the Contract dated October 24, 1994.

Thank you for your time, cooperation and patience in helping finalize this permitting action. Please call me should you have any questions in this regard.

Sincerely,

Anthony A. Gallegos
Reclamation Engineer
